

The Marlborough School of Reiki

PROFESSIONAL PRACTICE FOR REIKI COURSE

Tutors:

Jill Sudbury and Gisela Norman are both experienced Reiki Master Teachers. Jill Sudbury is trained in Dr Usui, Jikkiden and Karuna techniques. Gisela Norman is trained in both Usui and Karuna techniques. They come from biomedical and nursing backgrounds. As tutors they are knowledgeable and dynamic college lecturers, who bring with them 25 years of clinical complementary practice; and are members of respective professional councils.

Teaching style:

- + Flip chart / PowerPoint and discussion
- + Brain storming activities
- + Handouts for students
- + Roll play

Students will be provided with:

- + Up to date detailed legislation relating to Reiki practice
- + MSR glossary of main codes of ethics and practice

OVERVIEW OF THE COURSE

This is a unique opportunity for all Reiki practitioners who are from a range of levels and training backgrounds as it is focused on professional standards specific to Reiki healing and practice. It is an ideal course for those who have just completed their Reiki 2 practitioner level as it will give an in depth knowledge of roles and responsibilities as a practitioner, marketing ideas and working with the public.

It will be a great benefit, updating and a refresher to those experienced Reiki practitioners, including teachers, who have been in practice for some time as it gives detailed and up to date information on current standards, methods of managing difficult situations and legislation that affects us all.
